advanced signs of aging

Those fine lines are now turning into **deep wrinkles** and you may notice some **sagging.** Your skin is probably **dry,** and that makes it more sensitive. **Sun or age spots** and **dull skin** are all inevitable effects of aging at this stage. It's definitely time to get serious about skin care.

1 smoothes
with **Oxa Diacid,** a mild exfoliator, to smooth over fine lines & wrinkles; improves skin texture, tone and radiance.

2 lifts & redefines
with **AVC10,** Avon's exclusive power molecule that penetrates skin's surface to redefine and visibly lift the appearance of sagging skin.

3 protects
with a new **Bio-Protective Complex** to help improve skin elasticity and firm maturing skin faster than ever!

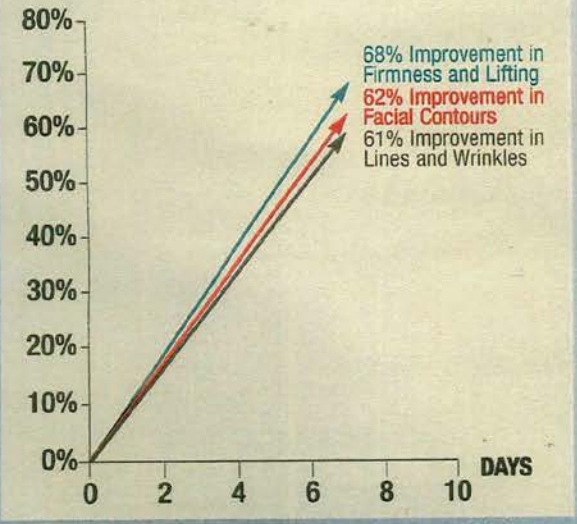
FORCE EXTRA for fast, dramatic results

On average, after using FORCE EXTRA consumers reported the following results:

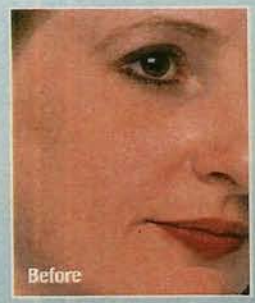
Instantly— skin feels and looks up to 56% firmer; improves the appearance of fine lines up to 64%.*

With regular use— Used alone, AM or PM, facial contours are visibly improved and defined; dramatically firms and lifts sagging skin to look younger. When FORCE EXTRA day & night formulas are used as part of a complete daily regimen, results are even more dramatic.

IN JUST 7 DAYS*—



*Findings based on consumers' perceptions using FORCE EXTRA Triple Lifting Night Cream. Dramatic results also seen using FORCE EXTRA Triple Lifting Day Cream and Lotion.



Unretouched photos. Results maintained with continued usage.

ANEW TESTED. PROVEN. AGE INTERVENTION.

minimal signs of aging

For most women, serious signs of aging and sun damage haven't set in. Skin is supple and evenly toned, but you may notice some skin dullness, freckles, and even tiny fine lines and wrinkles. At this stage, early intervention is the key to prevention—the earlier you start, the better your skin will look.
